To celebrate the 25th anniversary of the series “*I diritti economici*”, the volume of studies PASSALACQUA M. (ed.), *Diritti e mercati nella transizione ecologica e digitale*, Cedam, 2021, will be presented. The book is dedicated to its founder, Prof. Mauro Giusti, who will greet the participants.

The Conference is part of the activities of the University Research Project “*Public services and digital platforms. Legal Categories, Processes, Guarantees*” (PRA 2020) and is included in the Curriculum “*Administration, Market and Criminal Justice*” of the Ph.D. program in Legal Sciences, Department of Law – University of Pisa.

Due to the limited number of places available it is recommended to book the presence by writing to the organizing secretariat:
Dr. Tamara Favaro, email: tamara.favaro@unipi.it

The event is also available on the Microsoft Teams platform via the web using the Chrome browser at:
